VOLUNTEER PROGRAM DETAILS:
The volunteer program is intended for local students and those students who have other sources of funding to attend AAAI-02. If you are also seeking travel funds, you may apply for the AAAI student scholarship program. Scholarship recipients are required to serve as volunteers at AAAI-02, but not all volunteers are scholarship recipients.

BENEFITS: Volunteers receive complimentary registration to the technical program, which includes proceedings.

REQUIREMENTS: Volunteers are required to be student members of AAAI and to work approximately 8-10 hours at the conference in either one shift or multiple shifts.

TASKS: Volunteers assist AAAI staff members where they are needed. For example, tasks can include distributing badges and conference information at registration, distributing tutorial syllabi and collecting tickets at tutorial sessions, and checking badges for technical program admittance.

DATES: Volunteers are needed primarily on the following dates: Sunday, July 28 through Thursday, August 1. A small group of volunteers will be needed during the day on Saturday, July 27. A volunteer meeting will be held at 4pm on Saturday, July 27.

Please indicate your availability for these dates:
