

AAAI-10 Sponsor Program

On behalf of the Conference Committee of the Twenty-Fourth AAAI Conference on Artificial Intelligence, we invite you to participate in the sponsor program for AAAI-10. The conference will be held July 11-15, 2010 in Atlanta, Georgia. Atlanta is the home of the Georgia Institute of Technology, a leading center for research in artificial intelligence and robotics. Atlanta is also a major airline hub, providing ease of access to the international AI community. The city is home to CNN and a host of cultural and historical attractions, such as the Martin Luther King Jr. National Historic Site and the Woodruff Arts Center. Visitors can also enjoy the Georgia Aquarium, the High Museum of Art, Centennial Olympic Park, and the New World of Coke. AAAI-10 is sponsored by the Association for the Advancement of Artificial Intelligence.

AAAI is the annual North American artificial intelligence conference, attracting over 1,100 AI researchers and practitioners, representing government, university and corporate research facilities from throughout the world. Your participation in the AAAI-10 Sponsor Program will give you instant visibility to this diverse group of AI professionals, representing a host of research areas including robotics, the semantic web, integrated intelligent technology, agents, automated planning, bioinformatics, interactive digital entertainment, education, and expert systems, to name only a few.

As part of most levels of sponsorship, you will be provided with a table-top exhibit throughout the technical portion of the conference. This heightened visibility will provide an opportunity for one-on-one exchange with conference participants. Whether you want to showcase your intelligent technology to the AI community, or tap into this incredible source of talent, AAAI-10 is the premier venue to accomplish these goals.

Each AAAI-10 Sponsor will receive the following benefits:

- *Company name and/or logo prominently displayed on:*
 - Printed materials, as schedule permits
 - AAAI-10 website and proceedings
 - AAAI-10 registration area
 - Signs at appropriate conference events

Some levels of sponsorship also include these additional benefits:

- *Complimentary exhibit tabletop(s) in conference center foyer*
- *Complimentary technical conference registration(s)*
- *Complimentary pass(es) to conference banquet*
- *Complimentary sponsor insert in conference registration packets*

For a detailed list of sponsorship categories and accompanying benefits, please see the attached list.

We hope you will consider this opportunity to invest in the future of artificial intelligence by supporting AAAI-10 conference programs, student participation, and other conference activities. For more information about AAAI-10, please contact us at aaai10@aaai.org, or visit our website at <http://www.aaai.org>.
