

Acknowledgements

We are very grateful to Dr. Félix Ingrand and all the members of his Local Arrangements Committee, Jacqueline Som, Marie-Thérèse Ippolito, Marie Dervillers (LAAS) and Sylvie Barrouquère (ADERMIP) for the organization of the conference. Many thanks also to the staff of “Service Documentation” of LAAS for publishing the Preprints, Jean-Michel Pons for his assistance in setting up the AIPS web, and the “Service II” of LAAS.
