

Organizing Committee

Eyal Amir (University of Illinois at Urbana-Champaign, USA)
Vladimir Lifschitz (University of Texas at Austin, USA)
Sheila McIlraith (University of Toronto, Canada)
Rob Miller (University College London, UK)
Leora Morgenstern (IBM T.J. Watson Research Center, USA)

Program Committee

Chitta Baral (Arizona State University, USA)
Johann van Benthem (University of Amsterdam, The Netherlands)
Peter Clark (Boeing, USA)
Tony Cohn (Leeds University, UK)
Silvia Coradeschi (Orebro University, Sweden)
Ernie Davis (New York University, USA)
Patrick Doherty (University of Linkoping, Sweden)
Esra Erdem (Sabanci University, Turkey)
Norman Foo (University of New South Wales, Australia)
Alfredo Gabaldon (University of New South Wales, Australia)
Michael Gelfond (Texas Tech University, USA)
Andrew Gordon (University of Southern California, USA)
Patrick Hayes (Institute for Human and Machine Cognition, USA)
Jerry Hobbs (USC/ISI, USA)
Jeff Horty (University of Maryland, USA)
Tony Kakas (University of Cyprus)
Joohyung Lee (Arizona State University, USA)
Leora Morgenstern (IBM T.J. Watson Research Center, USA)
Rohit Parikh (City University of New York, USA)
Pavlos Peppas (University of Patras, Greece)
Fiara Pirri (University of Rome, Italy)
Henry Prakken (Utrecht University, The Netherlands)
Erik Sandewall (University of Linkoping, Sweden)
Len Schubert (University of Rochester, USA)
Michael Thielscher (Dresden University of Technology, Germany)
Rich Thomason (University of Michigan, USA)
Chris Welty (IBM T.J. Watson Research Center, USA)
Mary-Anne Williams (University of Technology Sydney, Australia)

This AAAI Symposium was held March 26–28, 2007
at Stanford University, Stanford, California USA
