

# Organizing Committee

Knut Hinkelmann (Chair) (FHNW University of Applied Sciences Northwestern Switzerland)  
Andreas Abecker (FZI Research Center for Information Technologies, Karlsruhe)  
Harold Boley (University of New Brunswick)  
John Hall (Model Systems Ltd.)  
Martin Hepp (DERI Digital Enterprise Research Institute)  
Amit Sheth (Wright State University, Ohio)  
Barbara Thönssen (FHNW University of Applied Sciences Northwestern Switzerland)

# Program Committee

Witold Abramowicz (Poznan University of Economics, Poland)  
Dimitris Apostolou (University of Piraeus, Greece)  
Francois Bry (University of Munich, Germany)  
Sanjay Chaudhary (DA-IICT, India)  
Flavio Corradini (University of Camerino, Italy)  
Jos de Bruin (Free University of Bolzano, Italy)  
Christian de Sainte Marie (ILOG, France)  
Mike Dean (BBN Technologies, USA)  
Prashant Doshi (University of Georgia at Athens, USA)  
Martin Dzbor (The Open University, UK)  
Rainer Endl (FHSG University of Applied Sciences St. Gallen, Switzerland)  
Christian Fillies (Semtalk, Germany)  
Siegfried Handschuh (DERI Galway, National University of Ireland)  
Pascal Hitzler (AIFB, University of Karlsruhe, Germany)  
Dimitris Karagiannis (University of Vienna, Austria)  
Manuel Lama Penín (University of Santiago de Compostela, Spain)  
Florian Lautenbacher (University of Augsburg, Germany)  
Juhnyoung Lee (IBM Watson Research Center, USA)  
Peter Loos (University of Saarbruecken, Germany)  
Deborah McGuinness (Stanford University, USA)  
Gregoris Mentzas (National Technical University of Athens, Greece)  
Michele Missikof (CNR, Italy)  
Nanjangud Narendra (IBM India Research Lab, India)  
Adrian Paschke (RuleML Inc., Canada)  
Alun Preece (University of Aberdeen, UK)  
Ulrich Reimer (FHSG University of Applied Sciences St. Gallen, Switzerland)  
Ron Ross (Business Rule Solutions LLC, USA)  
Sintek Michael (DFKI German Research Center for Artificial Intelligence, Germany)  
Silvie Spreeuwenberg (LIBRT, Netherlands)  
Ljiljana Stojanovic (FZI Research Center for Information Technologies, University of Karlsruhe, Germany)  
Nenad Stojanovic (FZI Research Center for Information Technologies at the University of Karlsruhe, Germany)

Vojtech Svatek (University of Economics, Prague, Czech Republic)  
Katia Sycara (Carnegie Mellon University, USA)  
Kuldar Taveter (University of Melbourne, Australia)  
Rainer Telesko (FHNW University of Applied Sciences Northwestern Switzerland)  
Ludger van Elst (DFKI German Research Center for Artificial Intelligence, Germany)  
Tomas Vitvar (DERI Digital Enterprise Research Institute Galway, Ireland)  
Holger Wache (FHNW University of Applied Sciences Northwestern Switzerland)  
Gerd Wagner (Brandenburg University of Technology at Cottbus, Germany)  
Robert Woitsch (BOC Asset Management, Austria)

This AAI Symposium was held March 26–28, 2008  
at Stanford University, Stanford, California USA
