

# AAAI-06 / IAAI-06 Organization

## Organizing Chairs

### *AAAI Conference Committee Chair*

James A. Hendler, University of Maryland

### *AAAI-06 General Conference Chair*

Kenneth D. Forbus, Northwestern University

### *AAAI-06 Technical Program Cochairs*

Yolanda Gil, Information Sciences Institute, University of Southern California

Raymond Mooney, University of Texas at Austin

### *IAAI-06 Chair and Cochair*

Bruce Porter, University of Texas at Austin

William Cheetham, General Electric Research

### *Special Track on*

#### *Artificial Intelligence and the Web Cochairs*

Tim Finin, University of Maryland, Baltimore County

Dragomir Radev, University of Michigan

#### *Special Track on Integrated*

#### *Intelligent Capabilities Cochairs*

Art Graesser, University of Memphis

Reid Simmons, Carnegie Mellon University

### *Senior Member Papers Cochairs*

Kathy McKeown, Columbia University

Dan Weld, University of Washington

### *AAAI Nectar Papers Cochairs*

AnHai Doan, University of Illinois at Urbana-Champaign

Elaine Rich, University of Texas at Austin

### *Member Abstracts and Posters Cochairs*

Dieter Fox, University of Washington

Ion Muslea, Language Weaver

### *Tutorial Cochairs*

Qiang Yang, Hong Kong University of Science & Technology

Carla Gomes, Cornell University

### *Workshop Cochairs*

Joyce Chai, Michigan State University

Keith Decker, University of Delaware

### *Doctoral Consortium Chair and Cochair*

Kiri Wagstaff, Jet Propulsion Laboratory

Terran Lane, University of New Mexico

### *Student Abstract and Poster Cochairs*

Maria Fox, University of Strathclyde

Sailesh Ramakrishnan, University of Michigan

Lynn Andrea Stein, Franklin W. Olin College of Engineering

### *Intelligent Systems Demonstrations Cochairs*

Rob Miller, Massachusetts Institute of Technology

Biplav Srivastava, IBM

### *Game Playing Competition Chair*

Michael Genesereth, Stanford University

### *Mobile Robot Competition and*

### *Exhibition General Cochairs*

Paul Rybski, Carnegie Mellon University

Jeffrey Forbes, Duke University

### *Poker Competition Cochairs*

Jonathan Schaeffer, University of Alberta

Michael Littman, Rutgers University

### *Sponsorship Chair*

Illah Nourbakhsh, Carnegie Mellon University

### *Student Participation Associate Chairs*

Martin Michalowski and Matt Michelson, Information Sciences Institute, University of Southern California

### *Technical Program Software Chair*

Ken Barker, University of Texas at Austin

## AAAI-06 Senior Program Committee

Kathryn Blackmond Laskey, George Mason University

Rich Caruana, Cornell University

Peter Clark, The Boeing Company

Nir Friedman, Hebrew University

Lise Getoor, University of Maryland

Maria Gini, University of Minnesota

Fausto Giunchiglia, DIT - University of Trento

Amy Greenwald, Brown University

Jon Herlocker, Oregon State University

Rob Holte, University of Alberta

Ian Horrocks, University of Manchester

Adele Howe, Colorado State University

David Jensen, University of Massachusetts

Subbarao Kambhampati, Arizona State University

Gal Kaminka, Bar Ilan University

Craig Knoblock, USC / Information Sciences Institute

Sven Koenig, University of Southern California

Richard Korf, University of California, Los Angeles

James Lester, North Carolina State University

Michael Littman, Rutgers University

Brad Love, The University of Texas at Austin

Deborah McGuinness, Stanford University

Sheila McIlraith, University of Toronto

Leora Morgenstern, Stanford University

Kevin Murphy, University of British Columbia

Karen Myers, SRI International

Dana Nau, University of Maryland

Illah Nourbakhsh, Carnegie Mellon University  
Peter Patel-Schneider, Bell Labs Research  
Ellen Riloff, University of Utah  
Dan Roth, University of Illinois, Urbana  
Nick Roy, Massachusetts Institute of Technology  
Bart Selman, Cornell University  
Jude Shavlik, University of Wisconsin  
Peter van Beek, University of Waterloo  
Mark Wallace, Monash University  
Brian Williams, Massachusetts Institute of Technology  
Michael Witbrock, Cypcorp Inc.  
Bianca Zadrozny, Fluminense Federal University  
Shlomo Zilberstein, University of Massachusetts Amherst
